Does what it shows in the store! I enjoyed completing this pack, it gave me about 3 hours of enjoyment and by completing the pack I got more achievements to add to my profile. The puzzles are a good size - not too small yet not over challenging. Many completing these will enjoy the puzzles of women, but the other few puzzles are surprisingly quite good. I give this pack a rating of 7/10: 70% (BUY). Would have been higher if the images in some were a bit more imaginative, unique and interesting and if there were a few extra puzzles in the pack. Makes up for some weakness by the subject matter in the others. Also if the price was a bit keener and the DLC policy for this game more gamer friendly, not 'nickel and dime' the player. I'd recommend picking up this pack in a sale, if you are interested in the puzzle pictures or achievements.. Great pack, Just wish the one with the sexy ladies were 400+ pieces :P
